

A woman is sitting on a wooden bench outdoors. She is wearing a white long-sleeved shirt and dark grey trousers. Her hands are clasped together on her lap. She is wearing light-colored Birkenstock sandals with two straps and buckles. The background is a blurred outdoor setting with green foliage and yellow flowers.

KIDS | SANDALS & CLOGS

Classic styles are sized down and shined up just for kids—with plenty of matching opportunities for Mom, Dad and siblings, too. The Boston clog enters our Kids' line for the first time, while little sandals take the season in stride with floral appliqués and blooming buckles. From tiny classics to easy-on designs, the collection offers the original support of our contoured footbed for play-all-day fun.
